

AYSO REGION 294
REGISTRATON FEES AND REFUND POLICIES
(As of May 31, 2015, From AYSO Region 294 Guidelines)

Registration Fees

(a) The registration fee for each player participant shall be fixed annually by the Regional Board. The fee for the current year is set forth in Appendix D to these guidelines.

(b) The Regional Board may by specific grant or scholarship, or by Regional policy, waive such registration in whole or in part with respect to any participant if such fee would create a hardship for such participant or his or her family.

Refunds

Any player who withdraws from the program after beginning practices shall not be issued a refund of the AYSO national fee (per National Guidelines).

If a uniform has been issued they will not be refunded the cost of the uniform if they have used it (as we order new uniforms every year).

If they have played more than 30% of the games in a regular season, no refund will be issued at all barring extreme exceptional circumstances to be provided to the board in writing for their final determination.

A refund request shall be provided to the board in writing and final decision will be made by the commissioner after discussion and recommendation received by the regional board.
